

Good Morning,

Please find attached the Re-Audition Instruction sheet, and a list of excerpts students need to record for their re-auditions (a separate sheet for Concert Band, and Symphonic Band). You need to download and print a copy of the instructions and excerpts for each MEMBER in the All-State Band (alternates do not need this information). The sooner they get this information, the more time they will have to prepare for their re-auditions. Directors should also read the instructions to make sure you are clear on what we are asking the students to do.

Directors must upload the AUDIO recordings (percussion DO NOT need to do video) to your school drop folder, NO LATER than 5:00pm on Sunday, February 25. Be sure to let your students know when you need their recordings so you have time to upload them for the students.

TODAY (FEBRUARY 16) IS THE DEADLINE for the uploading of your student registration forms. These should be placed in your school drop folder. We are finding that some school districts are restricting people from uploading to the google folder (even though we have it set so you can). If you get an error message that you cannot edit the folder – send Scott (sschlup@psdschools.org) your district approved google sign-in email, and he will add it to your folder sharing information and that should solve the problem. If it doesn't, he will help you so we get these forms in.

If you haven't paid your students registration fee, now is a good time to get that done. Remember, this must be done by March 25, or the price will go up and you will have to pay by check at the All-State event. <https://www.coloradobandmasters.org/all-state-band/participation-fee-payment>

We have posted (on the member page and parent page) information for students to order concert recordings and CMEA All-State medals. They are not required to order either of these – we simply offer them for people that might be interested.

We have posted (on the directors page and member page) a link to a google form for anyone that has a dietary concern making it impossible for them to eat our pizza lunch on Saturday (traditional cheese, vegetarian and meat pizzas and drinks). Only people that cannot eat that meal should fill out the form (directors/chaperones and students). You can also get to the form by clicking this link: https://docs.google.com/forms/d/e/1FAIpQLScfue7g3CjfjGk9Yx08ex-x0ttLqfy754Lly5QwJ4WMXjdDoQ/viewform?usp=pp_url

Thanks for all you are doing, and we wish you the best as you are preparing for your upcoming concert festivals.

Casey and Scott
