Student Membership Information

Congratulations!!!!

You have been selected to the 2024 Colorado All-State Band on April 4-6, 2024! We are so pleased for you to represent yourselves and your fine high school band programs at this event!

We have two nationally and internationally known and respected clinician/educators that will be working with the All-State Bands! Our Symphonic Band will have the privilege of working with Dr. Emily Threinen, Director of Bands at the University of Minnesota. We also have the pleasure of having Dr. Michael Golemo from Iowa State University as the clinician for our Concert Band.

We have a great deal of information that is available to you on the members page on the Web-Site (coloradoallstateband.com). From the main navigation, click on Personnel – then at the top of the personnel page, you’ll see a “Members Area” link. You need a password (COASB23) to enter this section of the web-site. In this area you will find links to your music (your director will let you know when the music is ready to download), reference recordings, information to check your name spelling for the program, information on re-auditions (for chairs)/required music preparation checks and information on ordering a commemorative All-State T-Shirt.

Your directors are your primary source for information and instructions. Check with them often for to know exactly what your school will be doing at All-State. Deadlines are important with All-State Band, so make sure BOTH you and your directors are meeting the required deadlines.

There is a Parents Information page on the web-site, so take a moment and let your parents know where they can get their information. Parents will need tickets to the concert (but you will not need to purchase a ticket to watch the other band).

It is every school or selected All-State family’s responsibility to secure their own housing arrangements. We highly recommend talking with your band director to see if they will be making hotel arrangements for you, or if that responsibility will be given to your parents. A list of Greeley hotels is available on both the directors page and the parents page of the web-site.

All students will complete a re-audition/preparation check for chairs within the bands. As soon as you receive your music, you should begin your work on it. These re-auditions will be due no later than 5:00pm on February 25. You will complete your recording (audio only – percussion do NOT need to video) and send it to your director and they will upload it for you. We will announce exactly WHAT you need to record and HOW it needs to be recorded on Friday, February 16 – so there will not be a lot of time between the announcement and due date – This is why you should start your preparation as soon as possible, and PLAN a time that you will complete your recording (the end of February can get very busy).

All students MUST have a completed registration form on file. Your band director will distribute these to you, collect them, and submit them on your behalf. These are due by February 16.

There are links to reference recordings in the members section. You are highly encouraged to study these recordings to help you with tempos, style, and how your part fits in the ensemble. When you complete your re-auditions, we are expecting that they will be performed at the correct tempos, and in the proper style – this is learned through active listening to the reference recordings.

Every member of the Colorado All-State Band may purchase (not required) a commemorative All-State Band shirt to show off your accomplishment. Information is available on both the members page and parents information page. Shirts are available PRE-ORDER ONLY, and must be ordered no later than February 9.

It is vital that you and your director evaluate your schedule to attend this amazing weekend of music making! If you find that you are unable to participate in the entire weekend, Thursday afternoon, April 4th through the late afternoon Saturday April 6th, you will need to send a message to coloradoallstateband@gmail.com so that we may invite an alternate selected in your section to take your place. THIS MUST BE DONE NO LATER THAN JANUARY 19TH!!!

Please send any questions or correspondence that you might have through your band director. As the coordinators of the Colorado All-State Band through the Colorado Bandmasters Association, it is our policy to communicate to our selected instrumentalists through your band director.

Once again, Congratulations and we look forward to seeing and hearing you in April!!
